THE LEGENDS LAB COMPANY

App-Specific Privacy Policy: PK.Presents

Effective Date:10-11-2026

Contact: ali.legends.lab.company@gmail.com

This App-Specific Privacy Policy applies exclusively to **PK.Presents** (the "App"). It supplements and should be read together with The Legends Lab Company's Master Privacy Policy. In case of any conflict regarding this App, this document controls.

1. Information We Collect

We believe in strict data minimization. We only collect what is necessary for the App to function:

1.1 Information You Provide to Us

- **Account Data (Email Only):** When you create an account, we collect only your **email address** for the purpose of login and account authentication.
- **User Content:** We collect and store the designs, images, text, and graphics you upload or create within the App.

1.2 Information Collected Automatically (via Firebase)

We use **Google Firebase** as our backend infrastructure provider. Firebase may automatically collect basic technical data such as device type, OS version, and crash logs to help us keep the App running smoothly.

1.3 Payment Information (Premium Features)

If you purchase a Premium subscription, the transaction is processed entirely by the third-party App Store or Payment Gateway. **We do not collect, view, or store your financial details, phone numbers, or transaction IDs.** We only receive a confirmation status from the gateway that your payment was successful.

2. How We Use Your Information

- To create and manage your account (using your email).
- To save, process, and sync your designs across your devices using Firebase.
- To process and validate your Premium subscription status.
- To monitor App performance and fix technical issues.

3. Third-Party Services (Firebase)

We use **Google Firebase** for database storage, user authentication, and analytics. By using this App, you acknowledge that your data will be stored securely on Firebase servers. Google's privacy policy

applies to their processing of data. You can review it at: https://firebase.google.com/support/privacy

4. Data Retention & Deletion

We retain your Email and User Content for as long as your account is active. You may request the deletion of your account and all associated designs at any time by contacting us. Once deleted, your data is removed from our active Firebase databases.

5. Children's Privacy

This App is not intended for children under the age of 13. We do not knowingly collect personal information from children under 13. If we discover that a child under 13 has provided us with personal information, we will delete it immediately.

6. Contact Us
